Come Ski & Ride
with Us!

WHO WE ARE

The ACE Ski and Board Club is based in Littleton, Massachusetts, and is composed of people who love to ski and ride down the slopes.

We support many activities that make both the winter and summer more fun. Winter activities include: Winter trips to Europe, Western U.S.A. and New England resorts, EICSL racing, NASTAR programs, and weekly gate training. In the summer we have bike trips and ice cream socials.

HISTORY

The ACE Ski and Board Club was formed over 28 years ago as the Digital Ski Club (Digital Equipment Corp). We have evolved over the years into a self-supporting, standalone club.

The club's membership has also evolved over the years. We still have many members who are or were affiliated with Digital, Compaq, HP, Cabletron, and Intel, but many new members are friends who just love to ski and board, and wanted to be members of our club!

WHAT WE DO

- Provide the opportunity to purchase discounted lift tickets.
- Encourage and promote an active race program.

- Encourage camaraderie and enjoyment of skiing.
- Encourage participation in skiing and boarding in new and exotic places.
- Promote a greater knowledge of ski/board techniques, resorts, and technical knowledge.

MEMBERSHIP BENEFITS

- Discount New England area lift tickets available through US mail sales and at general meetings.
- US mail sale of discount lift tickets in late summer for current members!
